

EMBASSY OF ROMANIA
in Japan

Ambassador

October 2021

I am very happy to nominate renowned actress Mrs. WATANABE Eri to be Goodwill Ambassador of Romania in Japan.

I am confident that Mrs. WATANABE's love of Romania and her popularity in her home country will greatly contribute to increasing the visibility of Romania in Japan, motivate Japanese audiences to learn more about my country and rediscover it as a reborn nation, who as Japan, promotes innovation and embraces modernity, but cherishes its traditions, history and identity.

I am honoured to have her as a friend of Romania and I am confident that with the valuable support of Mrs. WATANABE, our two nations will deepen their mutual understanding and intensify cultural exchanges.

Wishing Mrs. WATANABE Eri success in her new important mission as Goodwill Ambassador of Romania in Japan, I am looking forward to a close and fruitful collaboration.
